

# PEACH SORBET

## Ingredients

- 8 ripe yellow peaches
- 1 cup caster sugar  
(a finer version of table sugar)
- 1 TBSP lemon juice

## Instructions

1. Slice and peel peaches. Place peach slices in a food processor, along with sugar, and process until smooth.
2. Once mixture is smooth, add lemon juice to taste.
3. Freeze for 6-7 hour (in any airtight container), until firm.

NOTE: Peach mixture could also be made into peach popsicles, using a popsicle mold!
